Mother's Day Photoshoot

Nikki from “Nikki Brande photography” is coming to do a Mother's Day photoshoot on Wednesday, the 15th of February. We are inviting all our beautiful mothers to come in and have a photo-shoot with their children for Mother's Day.

Please feel free to come in between 9.30 and 11.30 am if you wish to take part in the photoshoot with your child(ren).

If your child doesn't attend on Wednesday, then please bring her/him between 10.30 and 11.30am.

Curriculum Topic

Our Curriculum topic for January is “*People who help us and Transport*”

Children will be encouraged to think about people who help us at home, at school and in the wider community. They'll also take an interest in / ask questions about the jobs and the roles these people have taken on. We will talk about postmen, fire men, nurses, doctors, teachers, dentists, bus drivers and builders.

Please help us to achieve our learning intentions by:

-Asking children to think about who helps them at home/in their extended family.

- Involving children in helping others at home. It is never too early to start laying the table or loading the dishwasher!

-Discussing the dangers and hazards in their home/ garden.

- Increasing knowledge on safety by talking about road safety and “Stranger Danger”.

We would like to provide children with as many opportunities as possible so that they can explore the role of various people within our local community. If a parent/carer would like to come to the nursery to talk about their job and provide the children an insight into how they are helping us, we would be very grateful.

Parents' evening

Parents' evenings will start on Wednesday, the 6th of February. For those who have not booked a slot yet, this is a great opportunity for you to discuss your child's development .We will work together in order to help them reach their full potential but also enjoy their nursery time greatly.

The time-slot booking sheet will be displayed on the entrance door soon.

Please speak to Zafira/Charlotte if you need more information.
